

Beginning the first week of August 2026, asphalt paving operations will commence along the roadways on Balboa Street to Franklin Street (between A1A and Surf Road), Douglas and Freedom Streets (between A1A and Surf Road), Surf Road (between Balboa Street and Franklin Street) and Surf Road (between Douglas Street and Freedom Street).

WHAT TO EXPECT:

- Whiting-Turner Contracting along with Ferreira Construction Company will have crews working on one or more of the referenced streets.
- The roadway paving project is anticipated to be completed in approximately 2 weeks.
- Paving will begin on Balboa Street and progress to the south. We ask that all residents and business owners follow all temporary detours, and construction personnel that will be in place for your safety.
- Work will generally occur Monday through Friday between 7 A.M. to 6 P.M. No work will be performed on Saturdays.
- Door hangers or in-person notifications will be provided within 48 hours prior to commencing paving operations. During paving operations, your street will be temporarily closed to vehicular and pedestrian traffic.
- Residents will be restricted from entering or leaving their driveways, on the morning that paving operations begin on your street. We ask that you plan accordingly to relocate vehicles, and limit access to and from your property during this time-frame. Each street will be reopened at the end of day, or sooner, depending on the completion of the paving operations.
- There will be construction noise and minor vibrations experienced during paving.
- Construction personnel will assist residents, visitors, emergency services, and deliveries whenever necessary to minimize disruptions.
